UDGHOSH-2K17 NEWS LETTER

Igniting the minds of Engineers

INAUGURAL FUNCTION OF UDGHOSH2K17

The most awaited moment that sets a podium to fulfil the creative thirst has begun. UDGHOSH-2K17 is the fifth consecutive year conducting in the campus which is one of the biggest technical cultural, literary,

fest that celebrates technical, cultural, sports events. UDGHOSH has been a huge success ever since its inception.

UDGHOSH has grown immensely over the past 5 years with events in almost every field such as Flash mob dances, music and paper presentation, Technical Quiz, treasure hunt and Braionics. It has become one of the most awaited college fest of the National stature.

The function was started with invocation, followed by welcome address given by the chairman Sri Y.V. Anjaneyulu to the students about the campus life. He welcomed the dignitaries of the event and rendered on insightful and fascinating speech recollecting the previous versions of UDGHOSH since its national level inception from a tiny festival to a grand National level techno cultural festivity.

**Chairman Sri Y.V. Anjaneyulu,

Valedictory Programme

A spectacular mix of student's razzmatazz and highly appreciated speeches of the guests are highlights of valedictory ceremony Padma Sri Turlapati. Kutumbarao was the chief guest of this valedictory and Sri K.Chandra Bose was the attracting attention of all those who attended this event. Padma Sri Turlapati. Kutumbarao interacted with students and motivated to achieve success in life by citing various examples. The selective gathering drawn not only from own district and also from other districts were participated. K. Chandra Bose, Lyricist while addressing the students he advised them to realize the

struggle and pain of their parents in getting them educated. He also urged them to work hard to bring name and fame to their parents as well as to the institution they study.

Chairman Sri Y.V.Anjaneyulu stated that students should take initiation in all aspects of their career. He also exhorted the students to aim for higher goals and work hard with dedication to achieve them. Dr.C.RaviKanth principal of CIT while addressing the gathering he stated that the faculty and employees have backed him nearly 5 years and enabled him to achieve the glorious success in his endeavour. Other dignitaries on the dais also expressed their heartfelt wishes on the occasion.
