About the Virtual Conference (Google Meet) :

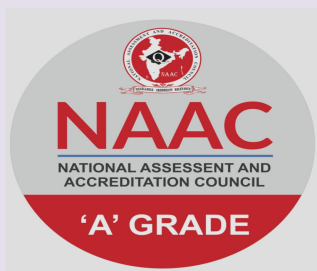

The Third International Conference on Recent Challenges in Science, Engineering and Technology 2022 (3rd ICRCSET-2022) is to be held on 27th November, 2022 at Chalapathi Institute of Technology (CITY), Guntur, Andhra Pradesh in association with the International Institute of Research in Multidisciplinary – Skill Development Trust, Andhra Pradesh. The first International Conference on Recent Challenges in Science, Engineering and Technology 2021 (ICRCSET-2021) was successfully organized on 7th & 8th February 2020. The Second International Conference on Recent Challenges in Science, Engineering and Technology 2021 (ICRCSET-2021) was successfully organized on 25th April, 2021. The 3rd ICRCSET-2022 Conference provides an opportunity to research scholars, Faculty, Industry Professionals, Delegates and Students to interact and share their experience and knowledge in the fields of Science and Technology. ICRCSET-22 will be an exceptional international forum for sharing knowledge and results in Recent Challenges in Engineering Technology and Science. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge developments in the relevant fields. An engineer is a professional practitioner of engineering, concerned with applying scientific knowledge, mathematics, and ingenuity to develop solutions for the technological and societal problems. Therefore, an ideal engineer is a composite and to operate at the interface between science and society.

3rd ICRCSET-22 can throw up a number of new ideas and solutions to address the present-day challenges in the fields of Science and Engineering. The scope of the conference is broad and covers many aspects of international technology prospective. This conference aims to provide a scholarly platform for participants to publish their research in reputed International Journals which are indexed by Scopus / Web of Science / SCI indexed journals.

About Chalapathi Institute of Technology, Guntur

(Accredited by NAAC with A Grade)

Chalapathi Institute of Technology, Guntur was established in the year 2008 by Chalapathi Educational Society. The Chalapathi Educational Society, Guntur was formed in 1995 by Sri Y.V. Anjaneyulu an outstanding academican and a philanthropist with a vision for sparkling future to set up and to promote such educational institutions of excellence that would reorient general, technical and professional education with a holiest approach. Chalapathi being the name of the “Lord Venkateswara” in his adolescence suggested the noble restlessness of questioning minds who advance humanity in their search for answers. It mainly imparts the quality technical education to the students in order to improve their skills and knowledge.
